Once the target Rate is reached, you are legally bound by the Transaction.
- 6.3 Target Rate.** The Target Rate will be deemed to have been reached when the exchange rate designated in your Target Rate Order has been filled by one of our wholesale foreign exchange providers. This will occur when the rate you have designated has been exceeded by an amount that includes our profit margin. In some cases, the exchange rate may Spike with the result that the exchange rate you designated in your Target Rate Order has been reached, but drops before we are able to fill the Target Rate Order with our provider. We will not fill your Target Rate Order under those circumstances.

7. PAYMENTS

- 7.1 Spot Contract Payments.** You must initiate payment of the full amount required to settle a Spot Contract into our designated account on the day the Transaction becomes legally binding in accordance with this Agreement. 7.2 Forward Contract Payments. You must ensure that you pay the full amount required to settle all Forward Contracts, less any Advance Payment already paid, into our designated account on or before the Exchange Date. 7.2.1 Advance Payment. We reserve the right to request one or more Advance Payments from you in relation to all Forward Contracts. We may request an Advance Payment both at the time you book the Forward Contract and at any time prior to the Exchange Date. You acknowledge that the amount of any Advance Payment requested will be determined by us at our sole discretion, and that we may request an Advance Payment even if we have entered into a credit limit arrangement with you. If we request an Advance Payment from you, you must pay the amount we have requested on the date we designate. If you fail to do so, we reserve the right to Close Out the Forward Contract in accordance with section 9.

7.3 Target Rate Order Payments. We will use reasonable efforts to notify you by telephone or email as soon as possible on the same Business Day or on the next Business Day after the Target Rate is reached. If you fail to do so, we reserve the right to Close Out the Transaction in accordance with section 9. We will rely solely on the account number and routing number you provide to us and will not check to ensure that the information you provide is correct. You acknowledge that if you do not provide us with the correct account number or bank routing number, you could lose the entire transfer amount.

7.6 Full Amount. All Payments must be received by us in cleared funds and for the full amount being transferred, plus any transaction fees that may be payable and any service fees that have been requested by us or any third party, before we will transmit funds to the designated Recipient Account. In the event that we agree to transmit funds to the designated Recipient Account without having received the full amount, you acknowledge that we are not waiving our right to request the full amount from you after the Transaction has been processed.

7.7 Subordination of Claims. We do not hold your funds in trust and will not place your funds into a separate bank account. Any claims that you may have against us will not have priority over and may be subordinated to any other claims against us that may exist from time to time. Our obligation to provide services to you under this Agreement will be unsecured special, limited obligations. You will not have a security interest in our assets, including the funds that you have provided to us. Any obligations that we may have to you will rank effectively junior to the rights of the holders of any of our existing or future secured indebtedness with respect to the assets securing such indebtedness. In the event of a bankruptcy or similar proceeding affecting us, your relative rights as compared to the holders of our other unsecured indebtedness are uncertain.

7.8 No Interest Paid. We will not pay to you or the designated Recipient any interest on any funds held by us whether by way of Advance Payment or otherwise.

8. MISDIRECTED FUNDS

8.1 Your Mistake. You will be required to book a new Transaction.

You must notify us immediately if you become aware of the occurrence of any of the events listed above.

9.2 Consequences of Closing Out. When we Close Out any or all of the Transactions that you have entered into, we sell back the currency that we purchased when you entered into the Transaction at prevailing market rates chosen by us in good faith. If the value of the purchased currency has strengthened, a loss will be incurred on the Transaction and you will be liable for the amount of that loss, together with any expenses, premiums, commissions or other fees incurred by us. We will not pay you any profit arising from Closing Out a Transaction under any circumstances.

9.3 Payment of Loss. The amount of any loss we incur resulting from the Closing Out of a Transaction is a debt payable by you to us. You agree that we may immediately deduct the total amount of any loss (together with any expenses, premiums, commissions or other fees) from any funds we hold in relation to any Transaction whether in the form of an Advance Payment or otherwise. If the amount we are seeking to recover exceeds the amount of any Advance Payment or other funds held by us, you agree to pay us the balance within seven (7) days of being notified by us of the total amount due.

9.4 Interest. You agree that we may charge you interest on any sum that remains payable to us after we Close Out any or all of your Transactions at the lower of a rate of 10% or the maximum rate that is legally permissible for a consumer loan transaction in your state of domicile as of the date that the payment obligation arises. Interest will accrue and will be calculated daily and compounded monthly from the date Payment was due until the date full Payment is made by you.

9.5 Notice of Monies Due. If we Close Out a Transaction, we will send you a written statement explaining the amount of any sums that you owe to us and the amount of any sums being withheld by us.

The arbitration shall be administered by the American Arbitration Association (the "AAA") pursuant to its Commercial Arbitration Rules and the Supplemental Procedures for Consumer Related Disputes, or such other arbitration body and rules and MTFX and you may agree upon. 11.3.3 At no time prior to the Earliest Initiation Date shall either party initiate an arbitration or litigation related to this Agreement except to pursue a provisional remedy that is authorized by law or by AAA rules or by agreement of the parties. However, this limitation is inapplicable to a party if the other party refuses to comply with the requirements of subsection 11.2.3 above.

11.3.4 Both parties agree that each may bring claims against the other only in its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Further, unless both parties agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative class proceeding.
